Welcome back

Welcome back to another year of awesome dancing at the #bestnrclub, at our regular #musicmondays. Every year is a year of opportunity if we choose to make it so, and this is nowhere truer than in our dancing. There will be the usual series of lessons, a couple of special workshops (watch this space for dates and costs), and the usual competition opportunities for those who are interested. While we won't be running dances on the scale of our 'epic' 40th last year, we still have our two big dances for the year, great opportunities to bring everyone together to share our love of rock and roll music and dance. Hopefully there will be plenty for you to enjoy.
